1 Introduction

The Club is dedicated to protecting the privacy and security of your personal information. This Privacy Policy outlines the types of data we collect, how it is used and the steps taken to safeguard it. This includes handling sensitive medical information for all Members.

2 Information Being Collected

2.1 Personal Information

Personal details such as names, emails, addresses, contact numbers, craft license details

2.2 Medical Information

All competitors are required to provide medical information including emergency contact details

3 How The Information Is Used

In cases of emergency medical information may be shared with paramedics if appropriate. Your information may be used to comply with legal obligations or respond to requests for information from law enforcement or regulatory bodies.

4 Data Security

The Club takes appropriate measures to ensure the security of all personal and medical data. The information is securely stored and accessible only to authorised personnel. Digital records are destroyed after each event or upon request. Despite the Clubs efforts, no method of storage is completely secure and the Club cannot guarantee absolute protection.

5 Sharing Personal Information

The Club does not sell or trade any personal information. The Club may share personal medical information with paramedics or medical professionals if necessary to ensure safety, or law enforcement/ regulatory body to ensure compliance with legal obligations.

6 Members Rights

Members have the right to access, update or delete personal and medical information at any time. If a Member wishes to exercise this right and approach should be made to the Commodore directly.

7 Changes To This Policy

The Directors or Committee of this Club may update this Privacy Policy periodically. Any changes will be advised to Members and the revised Policy will be effective following notification to Members.
